Dear Parents and Campers:

This is the second time that Spanish Camp will be offered at Saint John the Baptist Elementary. With the growing number of Spanish-speakers in the United States, this camp is an excellent opportunity to review what your child has learned or introduce new students to the Spanish language and culture! It also promises to be very fun with new and exciting activities every day. I will be the facilitator for the camp and Spanish students from Juan Diego Catholic High School will serve as teacher assistants. They will be positive role models, as well as lead group activities, and provide assistance to the campers. We will be dedicated to making learning Spanish meaningful.

Campers (maximum 30) will be selected on a first come, first-serve basis. Please return the registration form and \$100.00 registration fee as soon as possible. If the selected camp is full, parents will be notified. If you must cancel, please do so two weeks before the start of camp in order to receive a refund. Each camper will receive a T-shirt, educational materials, snacks, as well as crafts and other items for the hands-on activities that are planned. I look forward to seeing your camper this summer! For further information, please call me at **(801) 984-7179** or email me at patriciabrenneisen@sjbelementary.org.

In gratitude,
